

Member Marketplace encourages Chamber members to work together in developing good business relationships. By offering exclusive benefits over and above what is offered to the general public, vendors are not only supporting Chamber services to other members, but they are promoting local purchasing habits. Participants in Member Marketplace receive increased sales potential, a unique marketing opportunity, and exposure to new and existing Chamber customers.

If you are a member of the Arlington Chamber of Commerce and would like to offer discounts to other Chamber members, please fill this out this form and fax back to 817-261-7389 or for more information call Mark Joeckel 817-543-4281. Please note that promotion must be offered for a minimum of 90 days.
